We are MS Events

A unique story

Founded in 1997 by Maud Carrard Gay and Susy Nathan, MS Events is an event agency specialized in organizing corporate events and managing hospitality staff.

« At the beginning our goal was to organize events, but we quickly realised there was a requirement for hospitality staff. »

The first event was organized in May 1997 with the two partners acting as hostesses. The business expanded very quickly attracting a wide range of Swiss and international companies. MS Events can now draw staff from a database of 400 people in Switzerland.

Our team

Maud – Co-founder

Maud founded MS Events during her studies with her friend Susy. She has been managing the company for more than 25 years. MS Events quickly became famous in the field of hospitality staff.

In 2015 Susy decided to spend more time with her family and left the company. Maud continued to grow the company; MS Events even survived the Covid crisis.

« I only need 5 hours sleep which allows me to reconcile my professional life with my private life as well as with all my political and volunteer functions. Don't be surprised if I email you at 2:00 am! »

Her experience enables her to quickly identify possible problems and to solve them even more quickly. And when Maud sends you a quote, you can trust it!

Martine – Event manager

Martine first joined MS Events in 2015 to assist with a big event and on a permanent basis in October 2021. Martine is a positive, dynamic, hyperactive person. She is always available for her clients. Martine worked in hotels and in a family office and therefore she knows what the words hospitality and organization mean. Thanks to her experience in the hospitality world, Martine was able to improve the professional training of MS Events staff.
